

2005 RELAP5 International Users Seminar

Snow King Resort
Jackson Hole, Wyoming
September 7-9, 2005

The Idaho National Laboratory (INL) will host the 2005 RELAP5 International Users Seminar at the Snow King Resort, Jackson Hole, Wyoming, USA, September 7-9, 2005.

The meeting will provide a forum for RELAP5 users from around the globe to share their experiences in performing analyses using the code. In addition, the latter portion of the seminar will be set aside for a meeting of the representatives of the International RELAP5 Users Group (IRUG). Membership in IRUG is not a condition of attendance to the meeting, and papers/presentations are encouraged based on the application of any version of RELAP5, ATHENA, and SCDAP/RELAP5.

Meeting participants will see and hear about new features in RELAP5-3D[®] and the companion graphical user interface (RGUI).

The following schedule has been established for meeting participants:

June 1 – Abstracts and registration forms submitted to INEEL

June 30 – Papers or presentations submitted to INEEL

August 1 – Registration fee submitted to INEEL

August 15 – Preliminary agenda distributed

The final agenda will be distributed at the meeting.

Abstracts should be 500 words or less and can be e-mailed to gary.johnsen@inl.gov, faxed to (208) 526-0528, or mailed to the following address:

NOTE: Information on Jackson Hole and the Snow King Resort follows.

The pristine beauty of Jackson Hole is unsurpassed as a unique meeting destination. A high mountain valley at 6207 feet, Jackson Hole is bordered to the west by the Teton mountain range and to the east by the Gros Ventre mountains. While the outdoor possibilities are endless, touring Yellowstone Park (59 miles to the north), white water rafting, fly fishing, golf, horseback riding, hiking, and floating the Snake River are just a few activities to enjoy.
